

## Summer in Rye

A tragedy brought Eva Brookwell and Samuel Shaw back into each others lives. But will lies from the past destroy their chances of a future? Left penniless after the death of her philandering father, Eva Brookwell takes a job as a governess at Rye Hall, but didnt expect to find her young charges scarred and blinded from smallpox. Rye Hall is an unhappy house with a tyrannical master and Eva is forced to turn to her pupils uncle, Samuel Shaw for help. Eva and Samuel had once been engaged, until his lies drove them apart. Still in love with him, Eva knows she could never trust him again; however he is her only ally in the dark and disturbed household she now lives in.
