

The Black Thornes Rose (The Authors Cut Edition)

Stripped of her castle and lands, gently bred Lady Emlyn refuses marriage to a cruel lord and flees to the safety of the greenwood where she soon falls for a bold forest outlaw, the Black Thorne, who courts danger in King Johns England. Swept up in a game of passion and daring deception, Emlyn learns too late that the mysterious outlaw and the ruthless lord she despises are one and the same man. Now, for both Thorne and Emlyn, the greatest risk of all exists in the truth and love.
