

# The Art of Hammer: The Official Poster Collection From the Archive of Hammer Films

Over fifty years ago, with the release of *The Curse of Frankenstein* and Christopher Lees iconic performance in *Dracula*, Hammer ushered in a whole new era of blood and barely-restrained cleavage in glorious color, mixing sex and horror with a style and panache that made the small British company world famous. *The Art of Hammer* collects the very best and most iconic movie posters produced for the Hammer studio. This lavish hardcover brings together rare artwork from around the world. Featuring Hammers greatest films, including *The Curse of Frankenstein*, the *Dracula* series, and many more.
