

The Banks of Certain Rivers

In the lakeside resort town of Port Manitou, Michigan, dedicated teacher and running coach Neil Kazenzakis shoulders responsibilities that would break a lesser man: a tragic accident has left his wife seriously debilitated, he cares for his mother-in-law who suffers from dementia, and he's raising his teenage son, Chris, on his own. On top of all that, he's also secretly been seeing Lauren, his mother-in-law's caregiver. When Neil breaks up a fight one day after school, he doesn't give the altercation much thought. He's got bigger issues on his mind, like the fact that Lauren is ready for a commitment and he has to figure out a way to tell Chris that he's in a serious relationship with someone other than the boy's mother. But when an anonymous person uploads a video of the fight to YouTube, the stunning footage suggests Neil assaulted a student. With his job, his family, and his reputation suddenly in jeopardy, Neil must prove his innocence and win back the trust of the entire community including his sons. Jon Harrison's *The Banks of Certain Rivers* is a powerful tale of family, loss, and the meaning of love. Revised edition: This edition of *The Banks of Certain Rivers* includes editorial revisions.
