

## The Very Best of House of Erotica: Volume 1

This fantastic collection contains five of House of Erotica's favourite stories from over the years. The Orgasm Contest - Annabeth Leong Jody and Celeste have finally let Brent in on the hot thing they have going with each other and whichever guy manages to strike their fancy. Determined to hold onto his privileged position at all costs, Brent knows he needs to offer more than the average guy in order to keep their interest. In pursuit of his goal, he shows up one evening with industrial-strength vibrators and a plan to find out which of them can come the most.

Karas Punishment - Dee Voyse When Lucas and Kara don't see eye to eye on an issue, Kara is taught a lesson that she won't soon forget. After the Night Out - Scarlett Knight Kara has kept her crush on friend Rene a total secret. But when she and Rene return to Kara's place after a night of partying, their friendship takes a steamy turn as their true feelings for one another come out. Becky - Kay Jaybee Becky is having a spank-filled first day in her new job. Millie - Hannah Lockhardt When her father sells their house overlooking the family's private beach, Millie fears she will never be able to swim the way she always has - naked and alone, and always dreaming of a mysterious figure. But on the family's last seaside excursion, a chance meeting in the hotel dining room will change her life forever, even if she doesn't quite believe it herself.
