

## Blackwell Handbook of Entrepreneurship (BHIM)

The Handbook of Entrepreneurship brings together the best researchers in the USA and Europe to review the most up-to-date thinking on the most crucial topics in entrepreneurship studies. It is the first book to combine the research activities of Europe and the United States and reflects cutting-edge research with a multicultural perspective. The 21 chapters in the Handbook have been written by 28 experts representing a entrepreneurial Whos Who.
