

The Body Cartel

Jericho and Maddy Healey move into their dream home in Ray City, Arizona, when blood-chilling screams emanating from the basement ruin the experience. Only two days later, Maddy vanishes, and two seedy policemen are caught covering up a hole in the basement. Fleeing the police, Jericho enlists his cousin, a tactical drug officer, to help locate his missing wife. When the investigation takes them to a secret hideaway in the Red Desert, the drug cartels involved are the least of their worries.
