

The Eye of the Moon (Bourbon Kid)

Following a massive rampage that left the streets of Santa Mondega soaked with blood, the elusive supernatural serial killer known only as the Bourbon Kid is now himself being haunted. Hot on his heels are several vampire gangs, the Secret Service, a couple of werewolves, corrupt cops, and the Dark Lord himself, and none will rest until he is dead. But the Kid has a vengeance of his own to wreak, and young lovers Dante and Kacy, hapless bartender Sanchez, Peto the Hubal monk, and the mysterious Jessica will each be drawn into the escalating vortex of violence.
