

All 4 Books from the Bound Wives Series! Zack, Jeff and Brian have a good thing going on by tying, blindfolding and sharing their wives with each other, until things start to go differently than planned... The Bound Wives Club 1 Zack, Jeff and Brian are three married friends each caught in the boredom of everyday life and 15+ years of marriage. While having a few beers one night they come up with an idea that can cure their boredom and put them on the wild sex ride of their lives. And each one of their wives will participate without even knowing it. After all, if shes wearing a blindfold and doesnt know, what could possibly go wrong? The Bound Wives Club 2 Zack, Jeff and Brian had a great thing going. Once a month one of them would tie and blindfold his wife while one of the others had his way with her. As long as they played by the rules the wives would never find out and they would have the time of their lives. That worked until the blindfold came off of Diane in the middle of the show. Now she wants to be part of the club too, and they need to let her play along or shell blow the whistle on the whole deal. Certainly all she wants to do is watch... The Bound Wives Club 3 Zack, Jeff and Brian had a great thing going. Once a month one of them would tie and blindfold his wife while one of the others had his way with her. Once Diane finds out about it, however, she forces her way into their group. The guys agreed to let her continue in the club on one condition: she needs to seduce Zacks wife into a consensual sex act - if she can pull that off, theyll let her play along when they blindfold Barb - otherwise, shes out for good. Zacks wife is straight as an arrow - surely Diane will fail in her attempts at seduction... The Bound Wives Club 4 Three bored husbands, one understanding: once a month one of them would tie and blindfold his wife while one of the other two has his way with her. Once one of the wives finds out, though, she wants to indulge her bi-curious tendencies and things start to go sideways. Its time for them to come clean with the wives once and for all, but not before they go out with a bang!
