

The Lone Ranger Volume 2: Lines Not Crossed

In Lines Not Crossed (issues #7-11) the thrilling adventures of The Lone Ranger and Tonto continue from writer Brett Matthews, art director John Cassaday, and interior artist Sergio Cariello (along with colorist Marcelo Pinto) as the masked man and his Indian companion find themselves in-between frontier justice and a condemned man...all while continuing to make things difficult for Cavendish who's becoming more unhinged by the actions of this lone ranger!
