

Coming of the Centaur: The Island of Dr. Melville #4 (The Island of Dr. Melville)

WOMAN ON THE RUN! On the run from the relentless Dr. Melville, The clan of man-wolves carries Eve, their Queen And Captive, deeper into the forest. But the dangers that await her may dwarf any she has known already on the mysterious island. For the Mad Doctors experiments do not stop with making hybrid versions of mere ordinary creatures. Eve meets his most magnificent...most terrifying...creation yet...A being out of myth and magic. One capable of giving her an experience more intense...more orgasmic...than any she has ever known as she feels... THE COMING OF THE CENTAUR!
