

The Cat in the Hat Beginner Book Dictionary (I Can Read It All by Myself Beginner Books)

A silly book with a serious purpose to help children recognize, remember, and really enjoy using a basic vocabulary of 1350 words. Written and illustrated by P. D. Eastman with help from the Cat (Dr. Seuss) this decades-old dictionary pairs words with pictures that carry their meaning, making it simple enough even for nonreaders to understand. A wacky cast of characters reappears throughout the book, making this perhaps the only dictionary in the world that is actually fun to read!
