

The Bookmans Wake (Cliff Janeway Novels Book 2)

Denver cop-turned-bookdealer Cliff Janeway is lured by an enterprising fellow ex-policeman into going to Seattle to bring back a fugitive wanted for assault, burglary, and the possible theft of a priceless edition of Edgar Allan Poes The Raven. The bail jumper turns out to be a vulnerable young woman calling herself Eleanor Rigby, who is also a gifted book finder. Janeway is intrigued by the woman -- and by the deadly history surrounding the rare volume. Hunted by people willing to kill for the antique tome, a terrified Eleanor escapes and disappears. To find her -- and save her -- Janeway must unravel the secrets of the books past and its mysterious maker, for only then can he stop the hand of death from turning another page....
