SALE - Normal Price \$34.50 Now your child can turn any stack of books into a homeschooling curriculum. Over 380 Learning prompts and activities. This book can be used as a handbook for: Delight Directed Learning, Documenting Your Unschooling Journey, Charlotte Mason Inspired Homeschooling, Eclectic Homeschooling, Classical Homeschooling and Fun-Schooling. This Unschooling handbook is an activity book and daily journal that allows your student to have a customized education without creating a lot of extra work for parents. the student is encouraged to choose what he or she will study, learn about, and explore. Many students are more interested in real books than in textbooks! This is an excellent way to help your students to develop their talents, interests and deepen their knowledge of topics that are meaningful to them. Just visit the library and bring home 6 to 9 great books! This homeschooling handbook was created by Sarah Janisse Brown, a dyslexia therapist and game designer with ten children. Sarah has over 25 years of homeschooling experience. This curriculum handbook is wonderful for busy families. If you have babies and toddlers who need a lot of attention the older children can use this journal for everything, except math. This workbook is appropriate for dyslexic students, it includes Art & Logic Games to help with dyslexia, and uses the Open Dyslexic Font for easy reading.
