Daniel Fast Cookbook: Feed Your Soul and Strengthen Your Spirit with Over 30 Easy and Delicious Recipes

Fasts are often difficult for people to follow. Food is, of course, energy for the body, and without it, simple day-to-day tasks can become incredibly challenging. The Daniel Fast is the one that offers a possibility of long term success. It does not require people to actually stop eating at all. Instead, you will be eating only certain types of foods but in any quantity that you want. Even after you complete the three week term, you may wish to continue with that diet. Filled with simple directions The Daniel Fast Cookbook includes breakfast recipes, lunch recipes and dinner recipes. The Daniel Fast is an inspirational source for Christians who need to follow a more personal relationship with God through the 21-day devotion to prayer and fasting called the Daniel Fast. As you deny yourself certain foods such as solid fats, processed ingredients and sugars you will not only adopt healthier eating habits and continue to lose weight, youll also find a greater awareness of Gods presence in your life and your family.
