

## The Dead God #3: A SideQuest Comic

The third and concluding issue of The Dead God. In the year 536 AD, the land of Frisia is a cold and dark place. Three adventurers—the mighty grappler, Eadhild; the skilled archer, Coll; and the charming young Valensare searching for the head of Yvrnn, the sky-god. According to legend, the head of Yvrnn will grant its possessors great wisdom and fortune. Their quest won't be easy, as they must not only contend with Yvrnn's followers who have set obstacles in their paths, but also the mystical creatures and bandits that haunt the roads of Frisia. Set in the world of The Foreworld Saga, The Dead God is a three-part tale of swords and sorcery, in an age of myth and mist—a tale of brave warriors plunged into an adventure beyond anything they could have imagined.
