

The Deed (Avon Historical Romance)

Lynsay Sands hits all the right notes. Suzanne Enoch You can't help but fall in love with Lynsay Sands! Christina Dodd Before her Argeneau vampire family paranormal romance novels made her a New York Times bestselling superstar, Lynsay Sands did *The Deed*. Lynsay's witty, sexy, utterly fantastic debut romance transports the reader back to Medieval England to witness the outrageous trials and temptations of a good wife whose husband unfortunately dies before he can do *The Deed*. The lady, left shockingly unprepared, finds herself promised to a handsome, landless knight, and misunderstandings, missteps, and (of course) passion ensue. The first of her more than thirty historical romance novels and anthologies known for their wonderfully humorous edge, *The Deed* is as delightful treat for confirmed Sands fans, as well as for readers who appreciate the early novels of Julie Garwood.
