

Mystery of the Wizards Tomb (Knights of the Silver Dragon)

A young thief. A wizard's apprentice. A twelve-year-old boy. Meet the Knights of the Silver Dragon! It's Zendric's five hundredth birthday! But with one bite of birthday cake, Zendric's memory completely vanishes, along with all his powers. The search for an antidote to the poisoned cake leads Moyra, Kellach, and Driskoll to the Wee Jas cemetery. The mummies and ghouls who haunt the place can't scare away the Knights of the Silver Dragon. But are the Knights prepared for what they'll find inside the wizard's tomb?
