

## Spooky Liverpool 2: II

Psychic Billy Roberts follows up Spooky Liverpool with another fascinating collection of stories, guiding the reader into the world of the paranormal with tales including Haunted Furniture, The Mystery Of The Cat Woman Of Toxteth and The Ghostly Goings On At Rigbys Pub. He has been personally involved in the majority of the paranormal cases in his books, and the rest have been extensively researched. His first collection of ghost stories was published in 1975, most of which have been broadcast by the BBC. They will be republished some time in 2009.
