

The Encyclopedia of Animated Cartoons

This is the ultimate cartoon fan reference - updated and expanded! The Encyclopedia of Animated Cartoons, Third Edition, now thoroughly revised and updated, remains the definitive source on this entertaining subject. This new edition of the ultimate cartoon fan bible adds copious amounts of new material, bringing the book up to date and broadening the scope of its coverage. Separated into five major sections - silent cartoon series, theatrical sound cartoon series, full-length animated features, television cartoon series, and animated television specials - this comprehensive encyclopedia includes an extensive historical overview of animation, complete information about Academy and Emmy award winners, and a chronology of animation milestones. Coverage of increasingly popular anime has been added and expanded. Entries herein include: Cowboy Bebop; Dora the Explorer; Family Guy; Finding Nemo; Jonny Quest; King of the Hill; Pokemon; Scooby-Doo, Where Are You?; The Simpsons; South Park; SpongeBob SquarePants; Toy Story; and more.
