

Minecraft: Diary - The Ender Is The Beginning (Book 1) - Steps In The Snow (An Unofficial Minecraft Series)

Eric's quest to find out why he was taken from his home. SPECIAL OFFER: OVER 50% DISCOUNT. DOWNLOAD TODAY FOR ONLY \$2.99! (regularly priced at \$5.99). Eric is just about to reach his teen years and has no idea what being 13 really means. His father is very quiet and his mother is doting on him hand and foot. He knows that they are keeping a secret from him and he tries to get them to talk about it, but they are steadfast in keeping him in the dark. He's not the biggest kid around and sometimes he feels bullied when he goes to a mob village to pick up supplies for his family. They live on the outskirts of two mob villages, in between rival factions that have been feuding for a long time. He goes to bed that night feeling this ominous presence and wakes to find that he's no longer in his own bed. He's covered in snow and now he must find a way back with the help of an unlikely source. Download your copy right now and save over 50% off the regular price. No questions asked, 7 day money back guarantee.
