

This e-book is a guide for coeliacs, their families and their friends, on the principles needed to serve 100% gluten free food. If you or someone close to you is diagnosed with coeliac disease then the need to provide 100% gluten free food is very real and at times quite overwhelming. This is far from a fad, and the need to eat gluten free foods is a very serious health requirement, Even serving a crumb of gluten to a coeliac can cause very unpleasant and severe reactions. However for others it has become a bit of a fad to eat gluten free and providing food with a bit of gluten in it has no side effects at all. For people with coeliac disease it can be quite challenging and frustrating when they are faced with gluten free cooking. But if you know and understand the rules required for gluten free cooking it does not have to be hard. Coeliacs need to be able to eat with confidence both inside and outside the home. A person with coeliac disease needs to be in control of what goes in their food. Providing gluten free food goes well beyond just choosing the ingredients to use. Gluten free cooking becomes a way of life, a mindset which involves the whole family. This eBook is a guide to what it really means to be gluten free so that anyone providing food for a coeliac has the information they require about the preparing and serving of 100% gluten free foods. In this book you will:
