

News of the Spirit (Ballantine Readers Circle)

Delightful...comical...Smith never forgets that a great artist makes her craft appear effortless. With *News of the Spirit*, she takes that one step further: she appears to be having fun.--BookpageSmiths collection will not disappoint her fans.--The New York Times Book ReviewSmith writes beautifully, evocatively and believably about women and their feelings....What Smith doesnt write, what she leaves in the tiny spaces between sentences, between narrative moments, is as important as what she insists our attention be turned to....Above all, she delights in storytelling, in the sounds of words and the ways that they relate to meaning, to memory and to the mayhem we do to ourselves and others, with the blessings thrown in that things can sometimes be made whole to our advantage.--Seattle Post-IntelligencerSmith excels at creating characters somewhat boggled by the reality of who theyve become.--Publishers Weekly
