

The Hardest Part of Love

There's a split second between having it all, and losing everything. Hayden briefly has it all: a wife and daughter he adores and a baby on the way. But when his son dies at birth, a deep anger emerges, robbing Hayden of everything. Years on, Hayden is living in self-imposed exile. He's just lost his beloved dog and is now losing Laurel, the only woman he's loved since... But just as Hayden's rage rises again, a young figure from the past emerges, forcing him to re-visit his long-buried childhood...
