A Classic Includes Active Table of Contents Includes Religious Illustrations  
IN the year of Our Lord 1340, it came to pass, that a Master in Holy Scripture preached oft-times in a certain city, and the people loved to hear him, and his teachings were the talk of the country for many leagues round. Now this came to the ears of a layman who was rich in Gods grace, and he was warned three times in his sleep that he should go to the city where the Master dwelt, and hear him preach. Now that city was in another country, more than thirty leagues distant. Then the man thought within himself, I will go thither and wait to see what God is purposed to do or bring to pass there. So he came to that city and heard the Master preach five times. Aeterna Press
