

College Application Essays: A Primer for Parents (The HomeScholars Coffee Break Book series 9)

Finally! The College Application Essay Process Decoded for Parents! Battle-tested tips to help your students excel in the college admission game. The high school home stretch can be particularly stressful for homeschoolers and their parents. If college is in the future, parents worry about how their students will do when writing those intimidating application essays. If multiple universities are being considered, the problem just compounds itself. >>> Have you ever asked yourself these questions? How will they get it all done? What do the colleges want to see? How can my child, who can barely write a thank you note, now be expected to write compelling prose? Well, fear not! Lee Binz, The HomeScholar has addressed these questions and more in her latest ebook, College Application Essays - A Primer for Parents. Lee tackles your toughest questions and shows you how to project manage your way to application essay success! It is not enough for parents to take a totally hands-off attitude toward these all-important essays, nor is it advisable for them to take total control of the process. The trick is finding that balance, and that's where Lee can help! >>> Heres Why You Need This Book: College Application Essays is part of The HomeScholars Coffee Break Book series. Designed especially for parents who don't want to spend hours and hours reading a 400-page book on homeschooling high school, each book combines Lee's practical and friendly approach with detailed, but easy-to-digest information, perfect to read over a cup of coffee at your favorite coffee shop! Never overwhelming, always accessible and manageable, each book in the series will give parents the tools they need to tackle the tasks of homeschooling high school, one warm sip at a time. >>> Who is Lee Binz and Why Should You Listen to Her? Lee Binz, The HomeScholar, understands what it takes to graduate

homeschool students who are fully prepared for college and for life. Lees practical advice and organized presentations have helped thousands of homeschool parents muster the courage to complete their homeschooling journey. She is both reassuring and empowering, and will give you the knowledge you need to successfully graduate your high school student, and have confidence that they are ready to take on the world. A firm believer that homeschooling provides the best possible learning environment, and that parents are capable of providing a superior education for their children, Lees mission is to encourage and equip parents to homeschool through high school.
