

The Hunchback of Neiman Marcus: A Novel About Marriage, Motherhood, and Mayhem

Funny, fresh, and heartbreakingly poignant, this book had me laughing and crying at the same time. Meg Cabot, author of *The Princess Diaries* series and *Insatiable* read *The Hunchback of Neiman Marcus* and I saw the light and the mirror and fell under Sonya Sones spell. Jacquelyn Mitchard, author of *The Deep End of the Ocean* *Wallpaper a room with the pages of The Hunchback of Neiman Marcus*. It will be your favorite place. The room you come back to again and again, year after year. Ilene Beckerman, author of *Love, Loss, and What I Wore* Celebrated YA novelist Sonya Sones makes a HUGE splash with her first adult novel, *The Hunchback of Neiman Marcus*, spinning a funny, fierce, and piercingly honest coming-of-middle-age story about falling apart and putting yourself back together. Nora Ephrons *I Feel Bad About My Neck* meets Elizabeth Bergboldly original and endlessly enthralling *The Hunchback of Neiman Marcus* is a luminous, brilliantly told story of life, marriage, and parenthood that you will not soon forget.
