

The Implementation of Quotas: African Experiences (International IDEA Quota Reports series)

This report examines womens political representation on the African continent, and shows how quotas have contributed to increasing their access to political power. The documented evidence from Africa is very encouraging: more than 20 countries on the continent either have legislated quotas or have political parties that have adopted them voluntarily. This report details the different quota types that are being implemented in different political contexts in 17 countries, including the Democratic Republic of the Congo, Egypt, Morocco, Mozambique, Namibia, Rwanda, Senegal, South Africa, Tanzania, and Uganda.
