

Lost and Found

From the rising star of childrens picture books comes the magical tale of friendship and loneliness, a boy and a penguin. There once was a boy and one day a penguin arrives on his doorstep. The boy decides the penguin must be lost and tries to return him. But no one seems to be missing a penguin. So the boy decides to take the penguin home himself, and they set out in his row boat on a journey to the South Pole. But when they get there, the boy discovers that maybe home wasn't what the penguin was looking for after all
