

The Iowa Baseball Confederacy

From the author of *Shoeless Joe*, the book that inspired the movie *Field of Dreams*. *The Iowa Baseball Confederacy* tells the story of Gideon Clark, a man on a quest. He is out to prove to the world that the indomitable Chicago Cubs traveled to Iowa in the summer of 1908 for an exhibition game against an amateur league, the Iowa Baseball Confederacy. But a simple game somehow turned into a titanic battle of more than two thousand innings, and Gideon Clark struggles to set the record straight on this infamous game that no one else believes ever happened.
