

The Ivy Tree

An English June in the Roman Wall countryside; the ruin of a beautiful old house standing cheek-by-jowl with the solid, sunlit prosperity of the manor farm - a lovely place, and a rich inheritance for one of the two remaining Winslow heirs. There had been a third, but Annabel Winslow had died four years ago - so when a young woman calling herself Annabel Winslow comes home to Whitescar, Con Winslow and his half-sister Lisa must find out whether she really is who she says she is.
