

Ellie Jordan, Ghost Trapper

Ellie Jordans job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, the most haunted city in the United States. When a family contacts her to deal with a disturbing presence in the old mansion theyve recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil that is older and more powerful than shed ever expected. The dangerous entity seems particularly interested in her clients ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child.
