

The Kid: A Novel

From the bestselling author of *Push*, a story of survival and awakening and one young man's remarkable strength. *The Kid* brings us deep into the interior life of Abdul Jones, son of *Sapphires* unforgettable heroine, Precious. Left alone by his mother's death to navigate in a world where love and hate sometimes hideously masquerade, forced to confront unspeakable violence, his history, and the dark corners of his own heart, Abdul claws his way toward adulthood. In a generational story that moves with the speed of thought from a Mississippi dirt farm to Harlem in its heyday, from a troubled Catholic orphanage to downtown artists' lofts, *The Kid* is a soaring tale of body and spirit, rooted in the hungers of flesh and of the soul.
