

An Oath Broken (The Oath Trilogy)

An arranged marriage to a Scot? Unacceptable! Lady Sarra Bellacote would sooner marry a boar than a countryman of the bloodthirsty brutes who killed her parents. And yet, despite or perhaps because of her other valuable holdings, she is being dragged to Scotland to be wed against her will. To complicate the desperate situation, the knight hired to do the dragging is dark, wild, irresistible. And he, too, is intolerably Scottish. Giric Armstrong, Earl of Terrick, takes no pleasure in escorting a feisty English lass to her betrothed. But he needs the coin to rebuild his castle, and his tenants need to eat. Yet the trip will not be the simple matter he imagined. For Lady Sarra isn't the only one determined to see her engagement fail. Men with darker motives want to stop the wedding even if they must kill the bride in the process. Now, in close quarters with this beautiful English heiress, Terrick must fight his mounting desire, and somehow keep Sarra alive long enough to lose her forever to another man. Plenty of action, loads of treachery. Fans of medieval Scotland will enjoy. Library Journal Cosby gives you it all: passion, danger, lush history and a touch of magic. Excellent reading. New York Times bestselling author Hannah Howell on *His Conquest* Diana Cosby is superbly talented. Cathy Maxwell, New York Times bestselling author
