

In a land and time far from our own, there was an enchanted kingdom ruled by a benevolent and much-loved king. He had led his people through times of uncertainty and turmoil into a golden age of prosperity and peace. Now, nearing the end of his storied reign, the king longs to leave a lasting legacy for future generations. The king's most trusted advisor steps forth with a remarkable idea: To discover the wisdom of the ages, the greatest secret of the known world to benefit the entire human race. Little does the king know that the profound answer will come from the most unexpected and unassuming of places.
