

The Homer Book (Simpsons Library of Wisdom)

The Homer Book is now being released in hardback, as part of the ongoing series: The Simpsons Library of Wisdom. Homer Simpson is a mans man, an Average Joe, a loving father and husband, and a devoted beer drinker. But do you know the real Homer? Find out whats on Homers mind, discover the mysteries of Homers fridge, hang out in Homers haunts; meet his friends and enemies; and spend a typical day with the lovable lout who will lift you out of your Dohldrums. In The Simpsons Library of Wisdom, Matt Groening, the creator of The Simpsons, offers an ongoing series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt mans role in the universe and make the world a better place ... sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that The Simpsons serves up every night of the week all around the world.
