2013 Recipient of the Gold Medal for Religious Fiction presented by Independent Publisher Book Awards; winner of the Readers Favorite Silver Medal for Womens Fiction; Kindle Bestseller-Literary Fiction

The Last Supper Catering Company is the heartwarming story of B. Thankful Child-Lucknow. Turned out with red corkscrew hair, one eye brown, the other green, and gifted with the power to hear the voices of the departed, B. Thankful is cast aside by the town, and lives an isolated upbringing in the woods with Big G, Little G, and Tyler Lucknow. Tragedy, followed by the discovery of a long-forgotten paint-by-number picture of the Last Supper, thrusts B. Thankful from the safety of everything she has ever known. Beyond the boundary of her sheltered life, B. Thankful discovers the worlds hard edges as well as its beauty. More importantly, with the help of a cast of quirky and tenderhearted souls (both earthly and heavenly), she discovers why God made her special.
