This volume contains the five (5) novels by american writer Owen Johnson, that make the extraordinary collection The Lawrenceville Stories (The Prodigious Hickey, The Tennessee Shad, The Varmint, Skippy Bedelle, The Hummingbird). The novels, set in the well-known prep school, invite comparison with Kiplings Stalky and Co., and have been favorites of countless generations of youngsters. They provide a window into the of a nineteenth century American boarding school, proving beyond doubt that boys will be boys regardless of the era in which they become men. The author, who attended that school, writes masterfully on the subject of male camaraderie and what life was actually like among the young boys. Filled with characters with clever nicknames like, The Prodigious Hickey, The Tennessee Shad, The Varmint, Skippy Bedelle, The Hummingbird, Hungry Smeed and countless others, Johnson gives us tales of adventure played out against a backdrop of a sophisticated world long lost.
