

Breath of Life (G K Hall Large Print Book Series)

Contemporary Romance Large Print Edition
Dr. Ron Lewis loved his profession as much as he loved his wife. What he didn't realize was that Lydia—charming, beautiful, and energetic—was being eaten by jealousy. And Jenny Barton, Ron's devoted nurse, was the unhappy scapegoat for Lydia's venom. Ron blindly saw the three as a team, working for Ron's career, but when he was confronted by the shocking view of Lydia's private life, Ron was faced with a quandary: how could he save Lydia without sacrificing his career?
