

## The Ninja Vampires Girl (Mills & Boon Silhouette)

Coco Stevens has a taste for adventure enough to risk stealing a halo from a Fallen angel to help her sister. But she never imagined her mission would land her in the arms of a scarred but still dangerously sexy vampire! Zane is on his own quest to hunt a Fallen angel, and will do whatever it takes to win including bite the interfering Coco. Even if it joins them by an erotic bond that warms both vampire and mortal's blood with desire
