

Household Stories (Illustrated)

The Brothers Grimm Jacob and Wilhelm Grimm were German academics best known for publishing collections of folk tales and fairy tales, which became popular. Jacob also did academic work in linguistics, related to how the sounds in words shift over time (Grimms law), and together they wrote a German dictionary. They are among the best-known story tellers of folk tales from Europe, and their work popularized such tales as Rumpelstiltskin (German: Rumpelstilzchen), Snow White (German: Schneewittchen), Sleeping Beauty (German: Dornroschen), Rapunzel, Cinderella (German: Aschenputtel), Hansel and Gretel (German: Hansel und Gretel), and The Frog Prince (German: Der Froschkönig). The book includes illustrations and an active table of contents.
