The Riders

Fred Scully has decided to leave Australia to carve a new life for himself and his young family in Ireland. He labours alone to make their dilapidated cottage habitable, but when he arrives at the airport to pick up his wife and child, only his small daughter steps off the plane. So begins Scullys desperate odyssey across Europe, trying to track down the wife he comes to realize he didnt know. A brilliant reflection on the instability of personality and memory, written in page-turning style Daily Telegraph An intricate, magnificently readable novel Sunday Telegraph Makes the senses jump. Concentrated, passionate, invigorating Independent
