

The Savage Home

Come to a place where women are free to deal with their philandering husbands in unimaginable ways. Twisted as it may seem, there is something even more sinister going on under the surface. Dark and disturbing. Female domination unrestrained. Enter if you dare. For mature readers only. This book contains femdom material such as flogging, sexual torture, cuckold, humiliation and golden showers. Please check out my other book on Amazon: No safe words: Amazing Femdom Tales
