

Scarpetta becomes embroiled in a surreal plot that includes a famous actor accused of an unthinkable sex crime and the disappearance of a beautiful millionairess with whom her niece Lucy seems to have shared a secret past. In the seventeenth installment of the Kay Scarpetta series, the police are stumped by a particularly baffling crime. After exhausting all leads, authorities implore the help of Scarpetta, now a CNN senior forensic analyst. Presented with the opportunity to have her own show, she must choose between taking the case and following her television career.
