

Zombies!: Feast

An event of nightmarish proportions has begun! The dead are walking the Earth and tearing the living limb from limb in an endless pursuit to quench their insatiable hunger for flesh. Yet not all killers are undead. Eight of the country's most notorious murderers are being transferred across state when their bus enters a town overrun with feasting corpses! Now the town's remaining survivors find themselves fighting a battle on two sides. Five innocents, countless zombies, eight killers and a wide variety of blunt instruments whether they make it out or not, it promises to be very bloody and incredibly gruesome! In the end, it's not the nightmare outside you need to worry about but the monsters beside you.
