

## Storykiller

The monster under the bed is real. In fact, all the monsters are real, as well as all the heroes and everything in between. All Fiction is real and lives in a place called Story. however, plenty of Fiction hangs out in the Mortal world living both innocent and nefarious lives. This might not mean much to the average Mortal unaware of the Fictional characters living among them, but for The Last Scion - the only Mortal that can kill Fiction - things are about to become very complicated. Tessa Battle is that Mortal. And Story is long from done with Tessa no matter how much she would like to deny her destiny. With more than one monster chasing her and questionable allies like The Snow Queen and Robin Hood, Tessa is going to need all the superpowers he inherited just to stay alive. In fact, it may be a good thing that behind her back Stories call Tessa The Storykiller.
