

## Super Life, Super Health

As Aristotle himself said, Education is the best provision against old age. Well, its not only the best provision but also the best insurance. Super Life, Super Health shows you the way to a longer, healthier life using the strategies of other who have achieved a grand old age as well as research from modern day scientific studies. Expert advice also helps you sort out the confusing claims that accompany the wide array of pills, powders, creams, and elixirs claiming to restore your lost youth and extend your life. Find out what works, what doesnt, and why.
