

Journey to Surrender

Ahmad and Nikki Jacobs are the picture perfect couple. They began their love affair as college sweethearts. Now, they are married, live in the biggest and most beautiful home on their street, and drive the finest cars money can buy. Ahmad is the most successful attorney in the state and Nikki gave up her career as a teacher to become a stay at home mom; raising her daughters and lunching with her girlfriends several times a week. But what appears to be picture perfect from the outside of this three- story brownstone is very different from the real drama that is happening on the inside. Nikkis painful past and Ahmads irresponsible behavior has led them down a road that has takes many tragic turns. Shannon, Nikkis younger sister, has her own plans for Ahmad. Lies, deception and murder all take their toll on this already struggling marriage. Can this couple get to a loving and trusting place in their relationship or has the collateral damage ruined it for life?
