

The Unbeatable Squirrel Girl Beats Up the Marvel Universe

Proof that were living in the best of all possible worlds: THERES GONNA BE A SQUIRREL GIRL GRAPHIC NOVEL! Its a stand-alone adventure thats both great for new Squirrel Girl readers, and also for people who ALREADY know about how she can talk to squirrels and also punch really well! Behold: a story so HUGE it demanded a graphic novel! A story so NUTS that it incorporates BOTH senses of that word (insanity AND the weird hard fruit thingies) (theyre fruits, did you know that?) (I didnt until I looked them up just now, so looks like were all learning science from this solicit text for a comic book!) Squirrel Girl has defeated Thanos, Galactus, and Doctor Doom. TWICE. But in this all-new graphic novel, shell encounter her most dangerous, most powerful, most unbeatable enemy yet: HERSELF. Specifically, an evil duplicate made possible through mad science (both computer and regular) as well as some Bad Decisions. In other words, SQUIRREL GIRL BEATS UP THE MARVEL UNIVERSE! YES. I CANT WAIT, AND IM THE GUY WRITING IT.
