

The Wager: A Game Changer Companion Novella (Playing Games Series)

You'd think the masks would come off once the ball drops at the New Years masquerade but, tossing caution to the wind, Liam and Maci decide to have a bit of fun by continuing to keep their faces hidden from each other during a night full of games and passion. Get to know these two game-playing lovers before they even know each other in *The Wager*, a prequel to the new novel in the *Playing Games* series, *Game Changer*. Note: This contemporary romance novella is an optional read in the *Playing Games* series and contains adult situations meant for ages 18+.
